

VTRPC Driver Education Program/Classroom LT/ELO/Proficiencies-May 2017

CLT 1: I can demonstrate a working knowledge of the laws (Auto-Liability), rules and procedures of operating a motor vehicle. NDECS C1, 3-6, VTRPC 1, PB 1, MA Comp-GS

CLT 2: I can use visual perception skills to evaluate the traffic environment and manage the space around the vehicle by adjusting speed and/or lane position to avoid conflicts and reduce risks. NDECS 1-7, 9, MA Comp-PS

CLT 3: I can interact with other users within the Highway Transportation System in a positive manner. NDECS C 2.4, 10, VTRPC 5, MA Comp-Col. and Com.

CLT 4: I can prepare myself and the vehicle so that I protect myself and others by using vehicle restraints, controls and personal safety skills. NDECS C1, 2, VTRPC 2, PB 2. MA Comp PD and SA, MA Col.

CLT 5: I can recognize automated vehicle safety technology systems and explain the benefits of vehicle warning and assistance systems. NDECS 1, 11.2

CLT 6: I can make healthy choices and take responsible action in regard to chemical, physical and psychological conditions affecting my performance (such as substance use/abuse, sleep deprivation, fatigue, distractions and other emotional factors). NDECS C8, MA Comp-PD and SA, GS

CLT 7: I can explain the importance of how proper maintenance of a motor vehicle and driver behavior has an impact on the environment (No Idle law). NDECS C12, VTRPC, MA Comp-PD and SA, MA Comp-GS

CLT 8: I will practice with parents/guardians and other adults to develop precision in attitudes, decision making and physical skills. NDECS 1, MA Comp-PD and SA, MA Comp-Col., MA Comp-GS

Classroom Learning Scale

	Extended-4	Proficient-3	Developing-2	Getting Started-1
DE Scoring Guide/scale	I can evaluate this concept/procedure and explain it to other people.	I can analyze this concept/procedure with little or no coaching.	I can apply this concept/procedure with some coaching; I need some guided practice.	I understand this concept/procedure with considerable coaching; I need considerable guided practice.

Driving Lab/In-Vehicle Learning Targets, Vermont standards (VTRPC-Vermont Risk Prevention Curriculum), Mt. Abe standards (PB-Partnership Book for Expert Driving) and National Driver Education Curriculum In-Car Standards (NDECICS)

- VL1 I can prepare myself to drive. VTRPC 1, PB 1, NDECICS 1.1
- VL2 I can ensure that a vehicle is ready to be driven and secured when finished. VTRPC 1, PB1, NDECICS 1.1
- VL3 I can see an open and safe path of travel before putting a vehicle in motion. VTRPC 1, PB 1, NDECICS 2
- VL4 I can interact courteously with others. VTRPC 5, PB 5 and 10, NDECICS 3.5
- VL5 I can use reference points for precise vehicle location and lane position. VTRPC 2, PB2, NDECICS 1.2 and IC 3.
- VL6 I can keep a vehicle in balance, by making smooth steering inputs and speed adjustments. VTRPC 2, PB 2 and 3, NDECICS 3 &4
- VL7 I can search and control the rear zone. VTRPC 5, PB 5, NDECICS 3.3
- VL8 I can get control with a vehicle in front. VTRPC 5, PB 5, NDECICS 1.2 & 3.4
- VL9 I can control an intersection; controlled and uncontrolled. VTRPC 1, PB 1, NDECICS 3
- VL10 I can complete a lane change. VTRPC 1, PB 1, NDECICS 3
- VL11 I can park a vehicle; forward (angle left and right, perpendicular left and right) VTRPC 4, PB 4, NDECICS 3, (backing in parallel) VTRPC 8, PB 8 and (perpendicular) VTRPC 6, PB 6, NDECICS 3.
- VL12 I can complete a turnabout. VTRPC 3, PB 3, NDECICS 3
- VL13 I can complete a hill stop and start. VTRPC 8, PB 8, NDECICS 3
- VL14 I can solve problems using Zone Control Actions; speed, lane position and communication. VTRPC 4, PB 4 and 6, NDECICS 3.1, 3.2, 3.5
- VL15 I can minimize risk by making healthy choices to enable safety for all Highway Transportation System Users by having a risk prevention and space management mindset. VTRPC (1,6,9) PB (1,6,9), (NDECICS 5)

Final Road Test-Power Standards-Primary Learning Targets

I can put a vehicle in a safe and legal position.

I can interact/communicate courteously with others.

I can ensure that it is safe before I do something by being attentive, making proper scans and head checks.

I can control a vehicle at a safe and legal speed by following the basic speed rule and posted speed limit.
